The Class of 2008 dedicates this year's Herald to Mr. Joel Greene.

"Mr. Greene has always been the coolest teacher in school."

He is a great guy who is also a great teacher. Mr. Greene has an uncanny ability to get to learn. There aren't many people who can make old British literature fun, but somehow he does it (maybe by pointing out the farts in The Canterbury Tales?). Mr. Greene has been a good teacher and friend to the class of 2008 ever since we wandered in from the Middle School. Although sometimes his tie/shirt combinations are questionable, we love the guy. Thanks for being the man, Mr. Greene! Say hi to your Mom for us!

Love, the Class of '08 Emily Melinosky

"I am honored to have been chosen by the Class of 2008 for the yearbook dedication. I hope I have helped to make your time at WLHS enjoyable and that you will take with you knowledge that will allow you to be great! I am better person and teacher because of you, and I thank you for that."

-Mr. Greene

Class of 2008

"I've learned that **goodbyes** will always hurt, **pictures** will never replace having been there, **memories** good & bad will bring tears, and **words** can never replace feelings."

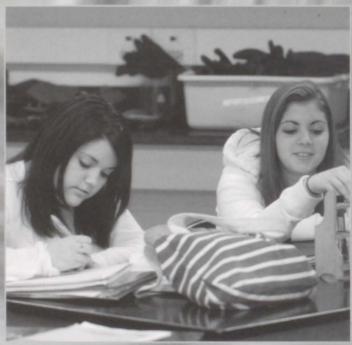

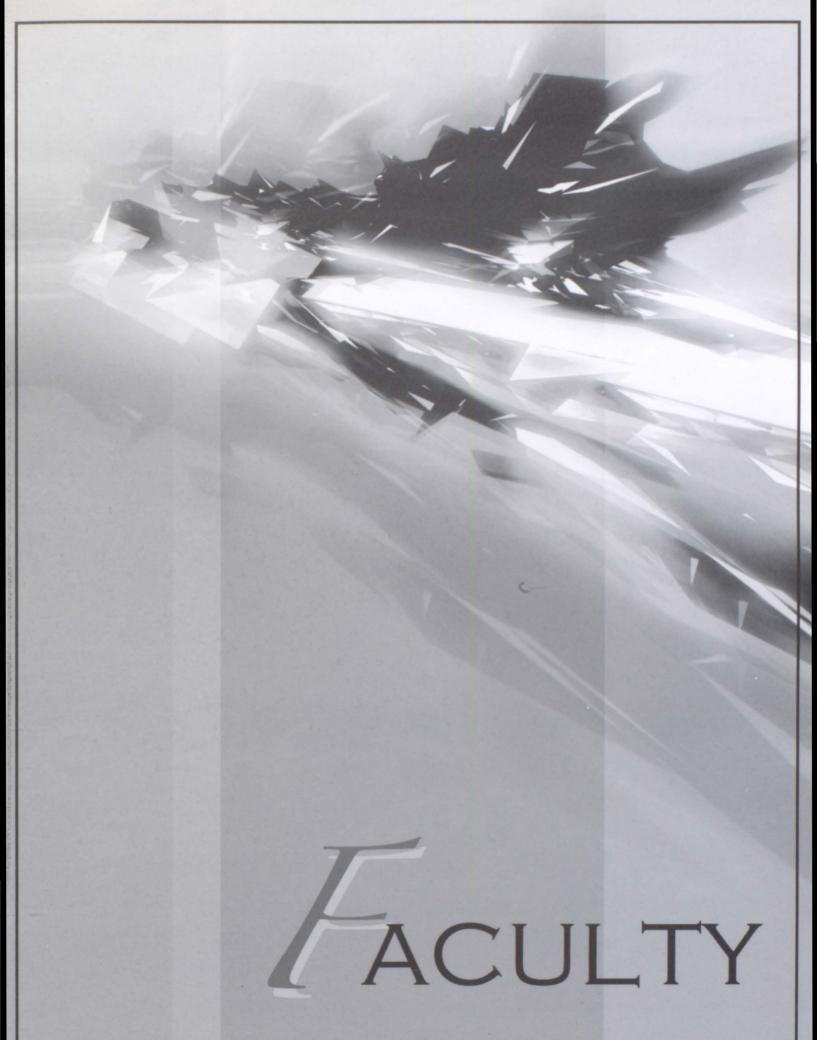

"I believe that everything happens for a reason, people change so that you can learn to let go, things go wrong so you can appreciate them when they're right. You believe lies so you eventually learn to trust no one but yourself, and sometimes good things fall apart so better things can fall together."

I have to start by thanking my family and the great friends I'm blessed with for standing by me through the hard days. I have days when I hate my job, this little town, and the whole world too. But I know I am a lucky man. If you want to know where I've been, just look at my hands. Do the best you can do, work hard for the money in your hand, that's the measure of a man. I live this life everyday, I make my share of mistakes. Every lesson I've learned, I learned the hard way. All my memories from AG w/ the shop boys farmin', workin late nites, early mornin's make me who I am. HICKS 4 LIFE, take it or leave it. I go back thanks to the guy who said I was born to do this 'cause I won't quit and just keep comin' back. Thanx L 4 08 ad.

So I say GOODBYE. I'm going into this not knowing what I'll find, but I've decided to follow my heart and abandon my mind. And if there be pain, I know that at least I gave my all, and it is better to have loved and lost than to not love at all. In the morning, I may wake to smile or maybe to cry, but first to those of my past, I must say GOODBYE. -Tupac

It has been 4 years already, just wow. I'd like to think I've changed since middle school. So what is to become of the class of '08? Who knows. Will any of us cross paths in the future? But I digress, this is the here and now. There are a few teachers I give a shout out to: Flebotte, L, Sigal, Mohart, DiPippo, Golas, Knowe, to name a few. To the younger classes; dont fail so much. To my class, well it has been a memorable 12 years that I only remember about 4 of. I can see how for some, this last year will make it hard to say goodbye to so many, but forget being sappy and just cherish it. This is DC saying goodbye, fairwell, and let's go to Canada.

I'm not going to leave anyone anything because I have nothing worth leaving. I will say this though, it will be over soon. Someday you'll be free of this place. You might miss these days, though I know I won't let them break you. I shall close with this: Free at last, free at last! Thank God almighty I'm free at last! Love and luck, Umiray.

Note to self: when you are thirty years old, put down the pots and pans you may be scrubbing and remember that you vowed to remain a child at heart. Remember who you were when you were eighteen years old. You preferred the forest to the city, a tree to the concrete. You lost yourself to She's Come Undone, The Shadow of the Wind, and The Kite Runner. Remember Hüsker Dü and Dinosaur Jr. in your headphones and rent The Fountain, Eternal Sunshine of the Spotless Mind, and The Lord of the Rings. Look up your buddies if you fell out of touch. KEO-EM-CK-CS-DB-SM-MT-BW+B-EH+J-DS-SS-NH-CL-AL. These places, things, and people made you who you are.

P.S. - All things be good and green.

As for the thank you's and memories I have for this school, well, I really have none, except my guidance counselor has been mad cool so I thank her. I got a few good memories so far with the girls in this school, so my story is just to be continued...

Bobroy Wheaton

I hope that the tradition, of "the juice" continues in WLHS for years to come and that Mr. Mohardt loves it just the same. WLHS is a place of learning, but it is a place more for and about friendships. I have made some amazing friendships here like Amy DellaGuistina, Dylan Verona, Kenny "Tom" Sawyer, Brandon LeBlanc, Angela Rampelli, Brett Verona and Matt Ambrose! I love everything about WLHS but everything involving WLHS. It is all past me now, it was a fun ride. Life is what you make it and I choose to make it nothing but fun. Even if I move away and I am forgotten, I know I will never forget the person that I love with my entire heart, and her name is Amy DellaGuistina. METAL!!!!!!!!!

Rachel Whitaker

Thanks to Mo, OB, Dube for coaching and being there for me. I'll never forget my friends, late nights, partying, prom, ball, pool hopping, fishing games, talent show, camping, beach house, JG's, TC's basement, Girl's Night. I leave 1 year - DG, BL, AC, SZ, DC. 3 years to - KS & EB. I wish all of you the best. I hope to love my job, get married, have a family, and live life to the fullest and take every opportunity thrown my way.

Thanks to all of you who believed in me: RC, MC, Mom, Baci, Nina, Dziadziu, Pa. Good times with everyone I've met including MC, RC, KH, and the rest of you I forgot to add 'cause I'm rushing this. JW, thanks for the poor jokes. Thanks to SB and DS for pointless times in math. Thank god for good times and good music. Thanks to Donk for making me realize I have a brain. Oh, and good times with NA. 5th period "fun" but not. "I wonder if we'll smile in our coffins while loved ones nourn the day, the absence of our faces, living, laughing, eyes awake."

Josh Lowry

I'd like to thank all the haters for keeping me on my toes. A big shoutout to Mr. S, Rasmussen, and my brother J-Rose. Mrs. Kelly, you know you get much love from me. Keep on being that strong black woman I know. Jen, it's cool that you're here for your boy, that's why you're my babygirl. I respect anybody out there getting money (not crazer's click) but you can't forget about him either. Keep it 100 and I'll see you when you get home. I love you grandma, Pops, and Mom. Rest in peace Uncle Charles, I know you still see me. I most likely will never see most of you again and that's more than alright with me. I'm off to bigger and better things and going to stack more paper. Ya boi Eazy.

DIVING

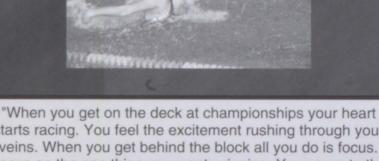

It's been told that

swimming is a wimp sport,
but I don't see it. We don't
get timeouts-in the middle
of a race we can't stop and
catch our breath, we can't
roll on our stomachs and lie
there, and we can't ask for
a substitution!

starts racing. You feel the excitement rushing through your veins. When you get behind the block all you do is focus. Focus on the one thing you want; winning. You go up to the blocks waiting for the last heat to get out of the water. The marshal says, Heat number 5. 100 yard Freestyle. Ladies step up. Everything else is muted. Take your mark.. And the buzzer goes off. You dive...you swim. You get to the wall and do your turn. Swim again. Hit the wall and find that you have won. Nothing is sweeter than this."

Swimming: From the outside looking in, you can't understand it.

From the inside looking out, you can't explain it.

I have had the awesome privilege of watching you grow from a painfully shy toddler to the amazing, self assured young lady that you are today. I am so proud of you for knowing who you are and being so true to yourself. You have never felt the need to be the leader or the follower, you are comfortable just being yourself. You are the most beautiful girl I know, both inside and out. I know you will be successful in whatever you decide to do because you have overcome so much to get where you are today. It was not always easy, and you were not always willing, but you did it! You have such a kind soul and please never lose the natural trust that you have in people. I love you,

Sam-you are the second child to graduate, A go-getter & when you see something of interest you learn it and go on to something new that you think is good for you. We've never known anyone with a more positive attitude on herself. We are so proud to have a good child that knows what she wants.

Love, Mom & Dad

Sam-You have worked so hard and I hope you have fun in college, Sabrina

Congratulations Class of 2008!

On behalf of the Senior Class Officers we would like to take the time to congratulate the Senior Class for all their success. We have truly enjoyed serving the best class to ever come through the halls of Windsor Locks High School, the class of 2008! We wish all of you the best of luck in the future! We would also like to recognize all the work that Miss Kelly has done for the class and us. Without her on our side nothing we have done would have been possible. She has dedicated many nights and days preparing events and activities for us. 2008 Forever!
